### telc certificate

The European Language Certificates are part of system of language examinations in accordance with the reference framework for language learning. The examinations test the four skills: listening, reading, speaking and writing.

### Target

The general language examinations from telc show how well you can communicate in daily situations: on holiday, in your leisure time or at work. Looking at the job market, foreign language skills are becoming more and more in demand. In addition, if you are interested in German citizenship, you will need to provide evidence that you can communicate in German at the B1 Level. The examination, "Zertifikat Deutsch B1" is officially recognized.

### Language examinations and preparation courses

We offer the telc language examinations monthly. You will find the dates on the backside of this information sheet.

To prepare for the exams, we offer preparation courses that normally take place on 2 Saturdays before examination dates. You can find further information on our information sheet. Please ask for the current dates.
